- ✓ Remotely-Enable Bitcoin Buy & Redeem
- ✓ Adjust Your Fees at Any Time
- ✓ Earn Revenue from Banked and Un-Banked

Contact: Kirk Barrett - kirk@just.cash - 717-368-2563

Benefits to ATM Operators

- Add a "Purchase Cryptocurrency" button and make your ATM a destination for a whole new set of customers.
- Fee splits of up to 50/50 assure meaningful income on every sale.
- Define merchant rev-sharing, automated reporting, and payments.
- No new compliance requirements or settlement changes
- No onerous contract terms or long-term lock-ins.
- No ATM visit required if reasonably up to date and we'll do deploys.
- No disruption to existing ATM operations.
- Just.Cash is a true partner, not a competitor, with a better product.
- Increase exposure to your ATM location with ATM locator, search engine listings, and google ads for qualifying terminals.
- Bitcoin-to-cash works for everyone, no debit card required.

Customer Features and Benefits

- Micro-sell Bitcoin for instant cash withdrawal at thousands of ATMs.
- Literally, the easiest and fastest way to purchase Bitcoin in the world: Dip, Pin-In, Purchase Bitcoin, \$100, Accept Quote, Bitcoin printed on receipt!
- From pin to Bitcoin printed on paper in ~ 46 seconds.
- Truly just DIGITAL CASH customers can gift, trade or spend instantly.
- Buy Bitcoin at the lowest fee because you're purchasing securely with Debit.
- The printed cryptocurrency public and private keys allow for instant import into any Bitcoin wallet or exchange, such as Coinbase, with simple QR scan.
